## I. INTRODUCTION

The Board of Directors (Board) of Bent Tree Community, Inc. (BTCI) has adopted resolutions over the years setting forth the policies for the community. To keep Property Owners and other interested parties of Bent Tree informed about all the policies of BTCI, the Board adopted a resolution to set forth the rules, regulations, and other policies in a single document. These may be amended from time to time. Property owners will be notified of changes in a regular issue of the *echo* (BTCI's official publication) and on [www.bent-tree.com](http://www.bent-tree.com) (BTCI's official website, login required).

- **BTCI's Declaration of Covenants, Conditions, and Restrictions (CC&Rs)** and the **Bylaws of the Corporation** are superior to, and are not repeated in, this document.
- **BTCI's Architectural Control documents (AC Handbooks)** are separate from, and are not repeated in, this document.

## II. SCOPE AND AMENDMENT

This document repeals and replaces all previous *Rules, Regulations, and Policies* documents, except any previous policy decision not in conflict with those printed herein. All future acts of the Board that seek to so govern, except for modifications of the Corporate Charter, the CC&Rs, the Bylaws, or the Architectural Control documents must be proposed as amendments to this document.

Amendments to this document may occur only in a meeting of the Board scheduled or called in accordance with the Bylaws. The procedure for amendment shall be the following:

1. Any amendment to the *Rules, Regulations, and Policies* must include identification of its exact location in the document (i.e. Section, Paragraph, etc.) and any other provisions in the *Rules, Regulations, and Policies* that may be impacted by the amendment.
2. A Director shall offer a motion to amend the *Rules, Regulations, and Policies*. If the motion is seconded, the proposed amendment shall be read aloud; the motion shall automatically be postponed until the next meeting of the Board; further action on the motion will be scheduled as "Unfinished Business" at the appropriate meeting.
3. Automatic postponement may be waived when:
  - a. a motion to waive postponement is offered at the time of the first reading, and
  - b. the motion to waive is seconded, and
  - c. the motion to waive is passed by unanimous vote of the Directors present.
4. All amendments approved by the Board shall be listed in Appendix B.

## III. PUBLIC SAFETY

- **In case of emergency, call 911.**
- Public Safety/Front Gate phone number (non-emergencies): 770-893-2628
- Public Safety Information (pre-recorded current info/alerts): 770-893-2999

Public Safety, in conjunction with Pickens County, provides site security and first responder (fire and medical) services to Bent Tree. Mutual aid agreements provide for assistance from other organizations as well.

BTCI is not required to provide measures or take actions which directly or indirectly improve safety on Bent Tree property. It is the responsibility of each owner to protect his/her person and property, and the responsibility to provide such security shall lie with each lot owner. BTCI shall not be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

#### **IV. CLASSIFICATIONS AND DUTIES OF OWNERSHIP**

##### **A. PROPERTY OWNER**

A person or persons having legal title to a lot or lots within the Bent Tree Community (*CC&Rs, Article III, Sections 2&3*). Property Owners are entitled to vote on certain items as specified in the *CC&Rs*.

##### **B. BTCI MEMBER**

Owning property in Bent Tree does not automatically make a Property Owner a BTCI Member. In compliance with Georgia Code §14-3-601(b), BTCI Membership is voluntary. Only BTCI Members are eligible to run for the Board and to vote in business matters set forth in the *Bylaws*. See *Bylaws, Article I, Sections 3 & 4* for eligibility requirements. Application information for membership in BTCI shall be available at the Administration Office during normal business hours and shall be available on [www.bent-tree.com](http://www.bent-tree.com). The Board shall cause to be printed in the *echo* annually an application for membership in BTCI, together with information on how, when, and why such application is required. This information shall be included in the monthly edition calling for candidates for the Board. For purposes of determining the roll of members entitled to receive notice of the annual meeting of the members of BTCI, to vote in the election of members for the Board, and to vote in any other matter which properly comes before the members at the annual meeting, the Date of Record (date by which member applications must be received in order to participate in that year's meeting and elections) shall be AUGUST 5.

##### **C. DESIGNATED MEMBER**

The *CC&Rs* provide that the Property Owner of each lot shall have the automatic privilege to designate one Family Unit to use and enjoy the common properties. If a Property Owner designates a Family Unit other than his/her own, the following policy shall apply:

1. A person or Family Unit who has been named as designee by a Property Owner, for granting access to and use of BTCI amenities and common properties, shall have a Designated Membership and shall be Designated Members.
2. Any Property Owner who designates a membership for his/her lot relinquishes the right to use the common properties under his/her name for that lot and relinquishes the right to hold annual amenity memberships under his/her name for that lot.
3. The designation of amenity rights to a non-owner must be registered annually with BTCI, by the current Property Owner.

4. Designated Members shall have no legal title to any property within BTCI and shall have no voice or vote in the affairs of BTCI.
5. Designated Members are required to fully comply with all applicable *Rules, Regulations, and Policies* of BTCI, the other governing documents as applicable, and all posted signs and notices.
6. The fees for Designated Memberships shall be the same as those for Property Owners and paid on the same terms available to Property Owners, either annually or on the payment plan(s) approved by the Board for the budget year. If payment on the account is delinquent, the Designated Member will lose all privileges. Privileges will not be reinstated until the account is current.
7. Each Guest of a Designated Member shall pay the fees or charges set for Guests of Property Owners.

**D. GUEST**

Person invited to Bent Tree by a specific Property Owner or Designated Member.

**E. RENTER – LONG TERM & SHORT TERM**

1. **Long term renters (30 days or more)** shall be Designated Members.
  - a. A Property Owner who engages in a long-term rental must complete a Rental Processing Form at the Administration Office and must pay the Rental Processing Fee as reflected in the current *Fee Schedule*.
  - b. Rentals will not be processed for a Property Owner who is delinquent on any payments due to BTCI.
2. **Short term renters (less than 30 days)** shall receive the same privileges as Guests.

**F. CONTRACTORS/EMPLOYEES**

Persons who are at Bent Tree for the day for pay and/or for hire are not “guests” and shall not be allowed to utilize the amenities and/or facilities without being accompanied by a Property Owner/Designated Member. An exception is that such persons shall be allowed to dine in a separate room at The Tavern Restaurant without being accompanied by a Property Owner/Designated Member.

**V. ENTRANCE TO BENT TREE**

**Windshield Decals and Vehicle Transponders**, as described in the sections below, require that the associated Property Owner/Designated Member is current on his/her BTCI account. Public Safety shall verify and complete all required information in the Vehicle Registration/Decal/Transponder Log prior to installation of any windshield decal or vehicle transponder.

Vehicles equipped with BTCI transponders shall be used only by the registered owner, or other household resident, to enter and exit Bent Tree. Violation of this regulation shall result in deactivation of the transponder and possible further disciplinary action. If a vehicle with a transponder is loaned to another individual for short-term use, the owner must notify Public Safety if the vehicle will enter Bent Tree property during the time it is being used. Exceptions to the

issuance of transponders for any other category of persons entering the Property may be authorized by the Board or the General Manager if so directed by the Board.

The owner of a vehicle with a BTCL transponder and/or BTCL windshield decal shall immediately notify Public Safety when the vehicle is sold so the transponder/decal can be deactivated. Bent Tree Administration staff shall frequently and routinely review records of amenity memberships and sales of property and notify Public Safety to deactivate transponders that are no longer valid. In addition, Public Safety shall routinely compare vehicles with transponders against their approved and registered inventories for any discrepancies and deactivate those transponders that are no longer current or active, or correct any identified discrepancies.

**A. ENTRANCE/EXIT GATES**

1. The main gate (aka the Front Gate) is at the Public Safety Building, located at the upper end of Bent Tree Drive. Vehicles equipped with transponders may enter through the electronic gate (right entrance lane). Other vehicles require clearance by a Public Safety Officer on duty (left entrance lane).
2. The second gate (aka the Back Gate) is located next to the Paws n Play Dog Park entrance, at the end of Pendley Drive. Vehicles equipped with transponders may use this entrance. Exiting through this gate does not require a transponder.

**B. PROPERTY OWNER/ DESIGNATED MEMBER ENTRY**

1. Property Owners/Designated Members must have a valid Bent Tree windshield decal (updated annually) on their vehicle to enter the Bent Tree community through the left entrance lane at the Front Gate. Annual windshield decals must be properly displayed no later than March 1 of each year.
2. Property Owners/Designated Members may get a transponder (updated annually, see current *Fee Schedule*) to enter through the electronic gates at the Front Gate and at the Back Gate. No transponder shall be issued or used without a valid windshield decal.
3. In accordance with *CC&Rs Article V, Section 20* Bent Tree transponders and/or decals shall be issued only to personal use vehicles (see definition) primarily designed for passenger transportation owned by and registered to Property Owners/Designated Members. An exception may be made by the General Manager (after consultation with the Public Safety Director) for one company commercial vehicle (see definition) assigned to the Property Owner/Designated Member.

**C. GUEST ENTRY**

Guests will not be authorized entry for Property Owners/Designated Members who are delinquent on payments due to BTCL. Such delinquent payments may include assessments, fees and fines.

1. **Preferred Guest** - The Board has authorized the establishment of a Preferred Guest windshield decal and transponder program. The Guest windshield decal will be of a different appearance than a Property Owner/Designated Member windshield decal and must be applied for by the Property Owners/Designated Members (updated annually). Applications for Preferred Guests are limited to three (3) per lot and are reserved for

frequent Guests such as family members. Preferred Guests may get a transponder (updated annually, see current *Fee Schedule*).

2. **Daily Guest** – Property Owners/Designated Members must authorize entry of Guests by notice to Public Safety. A telephone call to Public Safety that establishes satisfactory identification of the caller as a Property Owner/Designated Member will be sufficient. A vehicle pass that displays the last day of authorized entry will be issued to the Guest. The pass must be displayed in a way that makes it clearly visible from outside the vehicle. Dated pass issued for maximum of 7 days (Daily Orders list in Jonas at Public Safety)

#### **D. COMMERCIAL AND CONTRACTOR ENTRY**

1. No contractors shall be allowed to work in Bent Tree on Sundays or holidays (New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day). Contractors shall be turned away at the gate on these days. Exceptions may be made in case of emergency.
2. No construction deliveries shall be allowed in Bent Tree after 6:30 p.m. Monday through Friday and after 4:00 p.m. on Saturday, or anytime on Sunday.
3. If a Property Owner invites a contractor as his/her Guest, the contractor shall be told that he/she cannot work on a project that will create a nuisance to the neighbors. In the event Public Safety is called by a neighbor regarding a Guest of Property Owner working, Public Safety will fill out a report and turn it into the General Manager's office the next business day for the processing of the appropriate fine.
4. **Daily Commercial Entry** – Property Owners/Designated Members must authorize entry of service and repair personnel by notice to Public Safety. A single-day dated pass will be issued. The pass must be displayed in a way that makes it clearly visible from outside the vehicle.
5. **Annual Contractor/Commercial Pass** – Bent Tree windshield decal (updated annually, see current *Fee Schedule*).
  - a. Entities with 10 or more vehicles have the option of purchasing an Annual Fleet Pass which will allow entry of all vehicles owned by that company.
  - b. An annual pass allows access into Bent Tree once the pass is verified by Public Safety. An annual pass does not imply annual membership. All *Rules, Regulations, and Policies* of BTCI apply.
  - c. Entities with employees who demonstrate a serious or consistent disregard for *BTCI Rules, Regulations, and Policies* may lose the access benefits associated with annual passes without refund. This decision will be made by the General Manager after consultation with the Public Safety Director.
6. **Authorized non-transponder use of the Back Gate by the Stable Master** – The General Manager has the authority to allow the Stable Master (and his assistants, subject to approval by the General Manager) access to and use of the code to activate the entry arm at the Back Gate to allow for deliveries and service providers coming to the Stables and Equestrian Center in the course of related business. Examples include, but are not limited to veterinarians, farriers, and the delivery of supplies.

## **E. SPONSORED ACTIVITY PARTICIPANTS ENTRY**

Non-property owners and non-guests who have made reservations to participate in a sponsored activity will be allowed on the property provided the manager of that facility or sponsor of the activity has furnished Public Safety with names or numbers of reservations. Public Safety will provide the appropriate dated vehicle pass to be displayed on the vehicle. Public Safety will explain to the occupants of the vehicle that they are allowed use of the applicable amenity only.

## **F. REAL ESTATE AGENTS ENTRY**

1. Prospective purchasers must be accompanied by a licensed Real Estate Agent at all times while in Bent Tree viewing potential properties.
2. Public Safety will obtain a copy of the agent's real estate license and driver's license upon entry to the community.
3. Prospective purchasers may follow the real estate agent in a separate vehicle(s) provided all other Bent Tree rules are followed. Public Safety will obtain a copy of the driver's license for the driver of each vehicle involved.

Where the effluent line is installed parallel to the water main, the effluent line must be separated from the water main by a minimum distance of 10 feet.

Such agreement, together with the new plat of survey, must be recorded in the deed records of Pickens County, Georgia and subsequent conveyances of said property must specifically refer to the agreement and plat.
  - 4) All paperwork must be properly completed and submitted prior to October 31<sup>st</sup> for the combination to affect the assessment for the following year. The lot assessment(s) for any given year shall be paid on the status of the lot(s) as of October 31<sup>st</sup> of the immediately prior year. Required paperwork consists of:
